...the best shopping destination in Staines-upon-Thames...

First and foremost, Elmsleigh Shopping Centre is a family shopping destination. We work hard to make it a safe and fun experience for all our shoppers.

Parent & Child Car Park Spaces Every day we see many families come to enjoy a day at the shops and we're conscious to make your shopping experience as easy as possible. In the town's multi-level car park that leads into the centre, they provide 30 extra wide Parent & Child parking spaces on the ground and third levels. These spaces will make buggy and pushchair access much easier, and there will be more room for those shopping bags at the end of the day!

Parent & Baby Change Room We also like to take care of you once you're inside the Centre too! We have an easily accessible Parent & Baby Change room and for your convenience, a nappy vending machine is also provided. The Parent & Baby Change Room is located in the corridor leading out towards the car park.
